Bring your passion for fashion to the land of Disney and sun this December! Come 'discover the model in you' at our Winter Break location in Orlando, Florida!

This exciting, empowering camp introduces girls to the world of modeling and fashion and steps them through a series of workshops, photo shoots and daily challenges with top industry professionals. Girls learn about modeling in a fun, non-competitive environment and walk away not only with the knowledge of how to get in to the industry but with valuable life skills that they can apply to their everyday life.

The program culminates at the end of the four days with girls meeting privately with a Modeling Camp professional model scout. The scouts will provide campers with a personalized 'what to do next' plan, discuss representation, help determine which modeling agencies will be right for them and set them up with the appropriate appointment information. Elite, Ford, Wilhelmina, NY Models...all the top modeling agencies have signed campers from Modeling Camp...YOU could be next!

Modeling Camp Orlando is held at the Radisson Resort Orlando - Celebration! Set in 23 landscaped acres of lush Florida vegetation, with multiple on-site dining venues and an amazing pool facility, this hotel's location near Disney means you're never far from the action at the happiest place on Earth, and their scheduled shuttle service makes it easy to get to all the parks. Discounted room rates are available to campers and their families who choose to stay at the hotel while attending camp.

Modeling Camp Orlando is 4 day 'boot camp' program designed for girls to have fun while learning about the modeling industry. Modeling Camp can make no guarantee that you will be signed by an agency or that you will be successful in entering the industry. Modeling Camp wants girls to know that it is not essential for you to complete a modeling program such as this one in order for you to meet and sign with a legitimate modeling agency.

PERSONAL PRESENTATION

The way you present yourself is most important in the world of modeling and can make the difference between getting the job and not getting the job. Girls learn how to present themselves with confidence and style. Learn how to select that 'winning' outfit, how to do your hair and make-up for castings and how to look polished and 'together' all the time. Then take part in our Modeling Camp Orlando presentation challenge!

AUDITIONS & CASTINGS

Auditions and castings are a part of every model's day - learn how to handle yourself and how to book your first job! Then put what you learn to the test on the last day and have a casting with a professional model scout!

MODELING PORTFOLIO

Girls attending Modeling Camp Orlando will each receive their own portfolio book along with the two best pictures from their photo shoot! This is a great way to present yourself to a modeling agency or simply a wonderful opportunity to get some amazing pictures of yourself!

Parents: Two 8x12 shots are included in your session fees. Additional pictures can be purchased separately.

LEARN THE LINGO

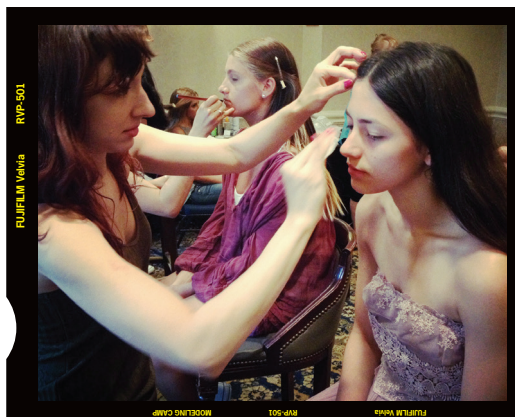

The modeling business has it's own language! A 'go-see', a 'booking', a 'comp card', an 'option' - learn the industry terms and phrases so you can be up to speed with what's going on in the modeling world!

TV COMMERCIALS

Models are often used for TV commercials so it is important that you know how to be confident in front of the television camera. Girls learn tips from a professional acting coach and get to try their hand at a Modeling Camp make-up commercial! Watch yourself on TV and learn all the inside tips!

"An amazing camp to learn how to model. Very inspiring and makes me feel confident about myself!"

- Isha, Age 16

RUNWAY TRAINING & FASHION SHOW

Girls learn how to 'rock the runway' with a lesson from a runway choreographer. Learn the twists and the turns, how to find your 'signature walk' and put it all together at the end of the program with a fashion show presentation for family and friends.

A MODEL PERSONALITY

It's not just about taking a pretty picture - it's how you project your attitude in front of the camera! Your eyes, the way you hold your hands, how you stand, how you smile - girls learn how to project their personality gracefully on camera.

HEALTH AND FITNESS

All girls should eat a healthy, well-balanced diet and maintain a regular exercise routine. Campers learn about health and nutrition and have their own personal yoga session.

MODELING CAMP WARDROBE OPTION

Campers have the opportunity to add on the Modeling Camp Orlando Wardrobe Option where they are able to select designer clothes to wear for their photo shoot. This collection of clothes and accessories has been hand-picked by fashion stylists exclusively for these photo shoots. Choose from hundreds of dresses and tops and look like you have just stepped right out of a fashion magazine!

PROFESSIONAL PHOTO SHOOT WITH A FASHION PHOTOGRAPHER

Every camper attending Modeling Camp Orlando will have their own private photo shoot session with an Orlando fashion photography team. After learning about photo shoot do's and don'ts, experience the excitement of what it's like to be a professional model shooting in front of the camera!

A hair styling and make-up team will be doing your hair and make-up and a fashion stylist will be styling your outfits - so it will be just like a real modeling job! This is a GREAT way to start your own modeling portfolio, to add to one you may already have or just a fun way to get some amazing pictures of yourself!
