I further authorize minor injuries to be treated at camp and I request that I be notified of any such treatment. I understand that Modeling Camp will not administer medicine of any kind (prescription and nonprescription) to my child. AUTHORIZATION TO PICK UP CHILD

Persons authorized to pick up child: _____

Please note that parents and authorized persons will be required to show an ID. No child will be allowed to leave with someone whose name does not appear on this list – This rule is for your child's safety and will be strictly enforced. Since our camp runs in a hotel, safety and security are our top priorities. Children are accompanied by Modeling Camp staff at ALL times. Due to the volume of children attending our programs, we are not able to remember every parent so we would greatly appreciate your cooperation with our check out system. If you arrive with your photo ID ready, sign out is quick and systematic.

Parents or authorized persons MUST drop their child off in person and sign the attendance register in the mornings and the evenings. Campers are permitted to sign themselves in and out of camp providing a parent or legal guardian submits a signed letter authorizing their child to do so. Please note that in this case Modeling Camp can assume no responsibility for the safety of your camper either before or after they have signed themselves in/out of camp.
